Unleash Your Possibilities ^{2K19}

WENNOWARE (Website Designing)

Hey Peeps!

How creative are you on a scale of 1-10?

Fret not if you cannot answer this question.

Wennoware, isn't your conventional website designing event.

We at Wennoware, believe that thoughts and ideas can't be restricted to a few rules.

And that's our primary concern. Restrictions are boring.

Even if you don't possess every ounce of knowledge about website development, you can win!

Search the internet, ask for help offline or even refer a few books?

So, do not have any second thoughts. Come join us for this unique event. Have fun. Tell us a story. Make something up, Take home the prize.

RULES:

1. The website shouldn't be a conventional website, we need something worthwhile. Tell us a story.
2. You can use the internet for reference, but can't copy templates.
3. The necessities of the website will be provided by us (if you require) and you will have to implement them in the website.
4. You can bring your own device or use the devices provided by us.
5. Further rules: If any additions will be there, will be notified to you on the day of the event.

Don't worry, your fun is our priority.

Time Limit: 1 hour
